Life Defenders Workshop
The Pro-Life Message Made Simple and Compelling

Many people reject or are indifferent to the pro-life view simply because they've never heard it presented in compelling manner. The Life Defenders Workshop is designed to equip you to communicate the pro-life message intelligently & graciously without the need of vitriol and angry dialogue. You'll learn to simplify the abortion debate and to refute logical fallacies of pro-choice rhetoric in a compelling manner.

Our workshop leader will be Mike Spencer, president of Project LifeVoice. Mike travels extensively throughout the United States equipping pro-lifers on high school and university campuses, in churches and serving as the keynote at pro-life banquets and conferences. Mike is a gifted and much sought-after communicator who has a passion to equip others to speak to the often emotional and divisive issue of abortion in way that is both gracious and kind.

Immaculate Conception Parish is grateful to be hosting a Life Defenders Workshop on Saturday October 22nd from 9:00 AM – Noon at the Parish Center 1920 Richmond Avenue. While especially geared for high school and college youth it is be open to all ages. All are welcome to this workshop being offered free of charge. Please call in with # attending so we can plan lunch! 217-235-0539

Knights of Columbus Fundraising for Ultrasound Machine

The Effingham Knight of Columbus Council 665 has launched a Fundraising Campaign to raise funds for a new ultrasound machine for the Family Life Center in Effingham. We have been accepted into the Ultrasound Initiative Program through our Supreme Council. The Ultrasound Initiative Program began in 2009 and to date has helped fund over 1,500 new machines in all 50 states, as well as in Canada, Guatemala, Jamaica, and Peru. Through this program, if a local Council raises 50% of the cost, the Supreme Council will provide a matching grant for the other 50% to complete the funding and allow for the purchase of a new ultrasound machine. This is a tremendous opportunity to equip medically certified pro-life pregnancy centers with the modern technology that will enable expectant mothers to see and hear their babies in utero and recognize the miracle of new life within them. Protecting the sanctity of all human life is part of our Mission as Knights of Columbus, please consider making a donation to our campaign and help us with this worthy cause. If you have any questions or would like to make a donation, please contact me or one of the K of C members listed below.
