October-Month of the Holy Rosary

To celebrate the richness of the gift of the rosary the rosary will be prayer before each mass in October. The choir will lead on Sunday's rosary(7:40am) and Saturday's rosary (3:40pm) will be led by various volunteers. Plan to arrive early to participate in this beautiful prayer!

The month of October is a powerful time to draw close to Our Blessed Mother by praying the Rosary. She loves it when we draw near to her in trust. Praying the Rosary is similar to small children reaching up to hold the hand of their mother in complete trust.

During her lifetime, Mother Teresa always carried a rosary in her hand. In this way, she said, she was holding Mary's hand.

Saint Louis de Montfort said, "Mary is the safest, easiest, shortest, and most perfect way of approaching Jesus." May she draw us ever nearer to her Immaculate Heart and to that of her beloved Son.

Rosary Crusade - October 15, 2022

Our Blessed Mother told us the rosary is the Divine Solution and that the rosary is our greatest weapon.

"Do as I say and there will be peace!"

Join us and other rosary rallies scheduled in thousand of cities across our nation praying this day for our country!

Saturday, October 15, 2022 at Noon
Grotto on the south side of HSHS St. Anthony Memorial Hospital, 503 N Maple St, Effingham, IL 62401

Many religions use beads to keep track of prayers. Our Rosary, a circle of beads, is like a garland offered to Mary because we pray a prayer on each bead. This well-loved prayer has its roots in the 150 psalms. People who couldn't read began praying 150 Hail Marys instead, the equivalent of three of our modern rosaries covering the original three sets of mysteries.

The story of the feast of **Our Lady of the Rosary (Oct. 7)** is an interesting one. In the 16th century Pope Pius V was having trouble with the Ottoman Turks, who were a real danger to Christianity. After months of disagreements and bickering, he was able to unite Spain, Venice, and the States of the Church in a naval expedition to fight the Turks.

The two navies met in the Gulf of Lepanto in Greece on October 7, 1571. On the same day, the Rosary Confraternity of Rome was meeting at the Dominican headquarters there. The group recited the Rosary for the special intention of the Christians at battle. The Christians defeated the Turks in a spectacular victory and believed it was the intercessory power of the Blessed Virgin that won the victory. Pope Pius V dedicated the day as one of thanksgiving to Our Lady of Victory. Pope Gregory XIII later changed the name to the feast of Our Lady of the Rosary. The story of the feast of Our Lady of the Rosary focuses on the intercessory power of Mary. It shows that when Christians are in danger, they can go to Mary. And when an individual is in pain, discouraged, or having trouble accepting God's will, he or she can also go to Mary. She will pray to her Son for anyone who calls on her. Anyone who prays to Mary no longer feels alone because she prays with them and for them. Mary encouraged praying the Rosary in her apparitions. At Lourdes when she appeared to Saint Bernadette, Mary had a Rosary. As Bernadette prayed it, Mary joined in on the Glory Be prayers. At Fatima Mary exhorted the three children who saw her to pray the Rosary for peace.

The Rosary is a deep prayer because as we recite the Our Fathers, Hail Marys, and Glory Bes, we meditate on the mysteries in the lives of Jesus and Mary. No wonder it pleases Our Lady when we pray the Rosary.

Knights of Columbus Fundraising for Ultrasound Machine

The Effingham Knight of Columbus Council 665 has launched a Fundraising Campaign to raise funds for a new ultrasound machine for the Family Life Center in Effingham. We have been accepted into the Ultrasound Initiative Program through our Supreme Council. The Ultrasound Initiative Program began in 2009 and to date has helped fund over 1,500 new machines in all 50 states, as well as in Canada, Guatemala, Jamaica, and Peru. Through this program, if a local Council raises 50% of the cost, the Supreme Council will provide a matching grant for the other 50% to complete the funding and allow for the purchase of a new ultrasound machine. This is a tremendous opportunity to equip medically certified pro-life pregnancy centers with the modern technology that will enable expectant mothers to see and hear their babies in utero and recognize the miracle of new life within them. Protecting the sanctity of all human life is part of our Mission as Knights of Columbus, please consider making a donation to our campaign and help us with this worthy cause. If you have any questions or would like to make a donation, please contact me or one of the K of C members listed below.
