**Knights of Columbus Fundraising for Ultrasound Machine**

The Effingham Knight of Columbus Council 665 has launched a Fundraising Campaign to raise funds for a new ultrasound machine for the Family Life Center in Effingham. We have been accepted into the Ultrasound Initiative Program through our Supreme Council. The Ultrasound Initiative Program began in 2009 and to date has helped fund over 1,500 new machines in all 50 states, as well as in Canada, Guatemala, Jamaica, and Peru. Through this program, if a local Council raises 50% of the cost, the Supreme Council will provide a matching grant for the other 50% to complete the funding and allow for the purchase of a new ultrasound machine. This is a tremendous opportunity to equip medically certified pro-life pregnancy centers with the modern technology that will enable expectant mothers to see and hear their babies in utero and recognize the miracle of new life within them. Protecting the sanctity of all human life is part of our Mission as Knights of Columbus, please consider making a donation to our campaign and help us with this worthy cause. If you have any questions or would like to make a donation, please contact me or one of the K of C members listed below.

**Family Connection Luke 21:5-19**

Jesus predicts the destruction of the Temple in Jerusalem and warns his followers that persecution will come before the end time.

Children, while innocently naïve about most world events, are also profoundly sensitive to the concerns felt by adults. We can help children interpret adult concerns by sharing information about current events in appropriate ways. We can also put these concerns in the light of God's kingdom and the assurance of God's care for us.

Discuss with your children one or more current events or a situation in your family which shows difficulties that may challenge our trust in a God who cares for us. Then read together today's Gospel, Luke 21:5-19. Notice how Jesus said that even when his disciples are persecuted, God would be with them.

Together with your children, talk about ways in which God might bring good out of the difficult events you discussed. Talk together about some actions you might take as a family to make better the situations you discussed. Conclude by praying for the needs of the people involved in the events you named. In prayer, place each of these difficult situations into God's hands.
