REFLECTIONS— [https://young-catholics.com/Understanding God's Uniqueness](https://young-catholics.com/Understanding-Gods-Uniqueness)

On Trinity Sunday, the first reading from Deuteronomy invites us to reflect on the unique ways God has interacted with Israel. Moses speaks to the people, reminding them of the extraordinary acts God has done for them. They saw God speak from the fire and perform miracles to choose them above all other nations. This reading highlights God's unmatched power and His closeness to His people.

Moses emphasizes that there is no other God besides the LORD. He is the only true God, and understanding this truth is crucial for our faith. Moses calls the people to obey God's commands. If they listen and follow His ways, they will prosper. This message is not just for Israel but for us today. By obeying God, we align our lives with His will, leading to true happiness and peace.

Living as God's Children

The second reading, from Romans, tells us about the spirit of adoption we receive from God. Through the Holy Spirit, we are not just followers but children of God. This Spirit leads us and frees us from fear. We can call God "Father" with confidence and love.

This relationship is not something we earn; it is a gift. As children of God, we share in everything Christ has, including His suffering and His glory. The Spirit confirms this to us, making us feel secure in our divine inheritance. This means we are never alone, and we share a special bond with Christ and our fellow believers.

Making Disciples of All Nations

The Gospel takes us to a mountain in Galilee, where Jesus meets His disciples after His resurrection. Even though some doubted, they all worshiped Him. Here, Jesus gives them a great mission: to make disciples of all nations, baptize them, and teach them to follow His commands.

Jesus' command is a foundation for our mission as Christians. We are to share the good news with everyone, no matter where they are from. The task of baptizing and teaching is not just for the apostles but for all of us who follow Christ. Jesus also promises to be with us always, until the end of time. This assurance gives us the courage to carry out His commands.

Joining God's Family

On Trinity Sunday, we think about the Trinity—Father, Son, and Holy Spirit. This idea can seem hard to understand, but it really shows us how God is all about relationships. God is three Persons who share love and purpose. We are made to want friendship and love, just like God.

Being part of this relationship with God fills us with peace and happiness. It feels right because it meets our need for being close to others. This happiness is so strong that we want to share it with everyone.

Trinity Sunday reminds us that our faith is more than just following rules or doing church activities. It's about being part of God's family. Jesus tells us to bring more people into this family. As we learn more about the Trinity, we want to help others feel this joy too. We spread God's love by inviting more people to join us.

Trinity Sunday brings together these profound messages from the Scriptures. Each reading helps us understand our relationship with God. We see His uniqueness and power, our role as His children, and our mission to bring others into this relationship. As we reflect on these readings, let's ask for the grace to appreciate more deeply the beauty of our faith and the responsibilities it carries. God's presence and promises are with us, guiding and strengthening us in our journey.

Reflection Questions

- What does being a child of God mean to you personally? How does this identity help you face challenges in your life?
- Jesus calls us to make disciples and teach His commands. What are some ways you can participate in this mission within your own community?
- When have you felt a strong sense of peace and joy from your faith? How can you share that joy with others who may not yet know about God's love?
