The Feast of Corpus Christi: Food for the Journey
<https://mycatholickids.com/the-feast-of-corpus-christi-food-for-the-journey>
What We Are Celebrating

On the Thursday or Sunday after Trinity Sunday, the Church celebrates The Feast of Corpus Christi, also known as The Solemnity of the Most Holy Body and Blood of Christ. This Feast commemorates the immense gift of the Eucharist in our lives and in the Church.

In Latin, Corpus Christi means Body of Christ. On Holy Thursday, we remember the institution of the priesthood and the Eucharist, the Last Supper, the Agony in the Garden, the betrayal of Judas and the beginning of the Passion of Christ. It is easy to become lost in so many beautiful things to remember. Corpus Christi Sunday allows us to focus solely on celebrating the real presence of Christ – Body, Blood, Soul, and Divinity – in the bread and wine.

A Feast Begins--The origins of the Feast of Corpus Christi date back to the Middle Ages! During the thirteenth century, a Belgian nun named Sister Juliana, had a great devotion to the Eucharist. Through visions, Our Lord told her to establish a Feast dedicated to the Blessed Sacrament. Through the influence of Sister Juliana, the importance of spreading devotion to the Blessed Sacrament reached the future Pope Urban IV. Sister Juliana died in 1258 and is now recognized as a Saint.

In 1263, a German priest by the name of Father Peter, stopped to celebrate Mass in Bolsena, Italy while he was on his way to Rome for a pilgrimage. Father Peter was having doubts at the time as to whether the Eucharist was truly the Body and Blood of Christ. However, as he celebrated Mass, when he prayed the prayer of Consecration, blood emerged from the consecrated host, spilling onto the altar.

Father Peter reported the miracle to Pope Urban IV, who sent delegates to investigate the miracle. Today, the Cathedral of Orvieto, Italy, is the resting place of the relics from this Eucharistic miracle.

The message of Sister Juliana and the Eucharistic Miracle in Bolsena, greatly affected Pope Urban IV. In 1264, through a papal bull called Transiturus de hoc mundo, Pope Urban IV instituted the Solemnity of Corpus Christi on the Thursday after Pentecost. Under Pope Clement V, Corpus Christi became a universal Feast. However, under Pope John XXII, devotion to the Holy Eucharist spread widely.

Josephine Nobisso's book – [The Weight of the Mass: A Tale of Faith](#), can help children understand the importance of the Mass. There is a read-aloud/animated video of this book as well.

The Feast of Corpus Christi is definitely about understanding the importance of the Eucharist as the Body and Blood of Christ. However, the bread and wine can only be transformed into Christ, through the Mass. Understanding the value and importance of the Mass is important, especially since it is so often taken for granted.

Family Connection Luke 9:11b-17

In our age of fast food and eating on the go, families often find that they are not eating meals together at a dinner table. As a family, look back over the past week and recall how many meals were eaten together and how many meals were eaten alone or on the run.

In the Bible, meals are seen as much more than a means to satisfy a physical need. The Hebrew people viewed eating a meal as a way of expressing and strengthening their relationship to one another under God's covenant. It is no coincidence that meals are often the setting of Jesus' teaching and miracles in the Gospels. In this Sunday's Gospel, we hear the story of Jesus feeding the crowd of 5,000 people.

Read this Sunday's Gospel, Luke 9:11b-17. Talk about the kinds of hungers that people have in addition to physical hunger. Describe the hungers that a family nourishes (love, compassion, forgiveness, laughter, and so on). Together give thanks for the food that Jesus gives us that we celebrate on this Sunday's feast of the Body and Blood of Jesus. Make a commitment to share in this Eucharistic meal together as a family.

Fr. Al's Rambling... Welcome to "Ordinary Time"

The Catholic Church recently celebrated Pentecost Sunday, marking the official conclusion of "Paschal Time". The Easter Season is the last holiday before we go into Ordinary Time. The soberness of Lent is packed away and the altar is swept clean of the petals from the Easter lilies. We begin a long stretch of, well, Ordinary Time.

Ordinary Time isn't so ordinary. It can be just as prayerful, meaningful and productive as any of the liturgical times of the church year. The difference is, we have a lot more time to plan and accomplish things!

Ordinary time does not need to be "ordinary," and is not somehow a "break" from the Liturgical Year. The opposite is actually true: Ordinary Time celebrates "the mystery of Christ in all its aspects." Many important liturgical celebrations fall during Ordinary Time, including, Trinity, Corpus Christi, All Saints, and Christ the King of The Universe. In addition, the Church continues to celebrate Saints days and other events such as The Octave of Christian Unity. The major feasts, when occurring on a Sunday, trump the regular Ordinary Time Sunday lessons and liturgy. In the American Catholic Church, Corpus Christi is usually transferred to a Sunday, so often there are fewer than the 33 or 34 Sundays labeled "Sundays of Ordinary Time," although these Sundays still fall within Ordinary Time. We also may remember and celebrate the parts of Jesus' life that were ordinary, much like our own lives. The color of green is appropriate because it is the most ordinary color in our natural environment and signifies new growth.

This period of Ordinary Time runs from the Monday after Pentecost until Evening Prayer is said the night before Advent begins. This includes Christ the King of The Universe Sunday, the final Sunday of Ordinary Time. In some denominations, the Sundays of the second period of Ordinary Time are numbered "Sundays After Pentecost."

god Bless.

Fr. Al
