Family Connection -- You also must be prepared.

Years ago, most families had only one or two clocks in their home. Today, we have clocks everywhere—on our walls, on our microwave ovens, on our DVD players, on our cell phones, and so on. As a family, go through the house and count how many clocks (time-telling devices) your family has. Talk about important events for which family members need to be on time. Recall experiences of being late for something, either as individuals or as a family. Explain that in this Sunday's Gospel, Jesus talks about how important it is for us to be aware and alert, otherwise, we will miss something.

Read aloud Luke 12:32-48. Talk about the parable that Jesus told and discuss how the master will feel if he arrives to find his servant doing his job. Discuss what our job is as disciples of Jesus. Explain that, just as we need to be aware of the time so that we don't miss anything important, we also need to be alert and focused on our jobs, our responsibilities as followers of Jesus.

Encourage each family member to place a sacred symbol near the clock that they use most in the house and to use the symbol and the clock as a reminder that it is always “time” for us to be acting like disciples of Christ.

"Feed the Priest" - "Food for Padre"

Two years ago in May our parish began a "Meal Plan" for Father Allen. Several ladies (or gentlemen) of the parish take turns (approximately once every 3-4 months) providing a home cooked meal on Friday evening for Father.

It is very simple with delivery on Fridays about 5:30 pm, consisting of whatever you fix at home, delivering in disposable containers. He enjoys all kinds of food - except liver and some fish. He really enjoys dessert! :)

We are hoping to add people to our list and hope/plan to incorporate the Green Creek parish this fall. If you are available to be added to our list of "cooks", please contact Howard Dust at 217-663-2395.

Thank you for helping!
