#### Knights of Columbus Fundraising for Ultrasound Machine

The Effingham Knight of Columbus Council 665 has launched a Fundraising Campaign to raise funds for a new ultrasound machine for the Family Life Center in Effingham. We have been accepted into the Ultrasound Initiative Program through our Supreme Council. The Ultrasound Initiative Program began in 2009 and to date has helped fund over 1,500 new machines in all 50 states, as well as in Canada, Guatemala, Jamaica, and Peru. Through this program, if a local Council raises 50% of the cost, the Supreme Council will provide a matching grant for the other 50% to complete the funding and allow for the purchase of a new ultrasound machine. This is a tremendous opportunity to equip medically certified pro-life pregnancy centers with the modern technology that will enable expectant mothers to see and hear their babies in utero and recognize the miracle of new life within them. Protecting the sanctity of all human life is part of our Mission as Knights of Columbus, please consider making a donation to our campaign and help us with this worthy cause. If you have any questions or would like to make a donation, please contact me or one of the K of C members listed below.
